2013 AGRICULTURAL HAZARDOUS MATERIALS INVENTORY PROGRAM INVOICE

The Agricultural Hazardous Materials Inventory Program protects public health and the environment from accidental releases and improper handling and storage of hazardous materials by conducting inventory inspections and business plan reviews. The County Board of Supervisors has established an annual registration fee of \$100 per site for the Agricultural Hazardous Material Inventory Program. This fee offsets the costs of conducting regulatory activities and providing information to local fire departments.

Businesses that use, handle, or store hazardous materials in the following or greater amounts are required to pay the fee:

- 55 gallons of a liquid
- 200 cubic feet of compressed gas
- 500 pounds of a solid substance
- A hazardous compressed gas in any amount
- Hazardous waste in any quantity

In the enclosed envelope, please return:

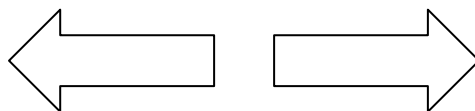

1. This invoice, or write "Hazmat" and your HazMat Numbers (below) on your payment.
2. Check, money order, or credit card payment form for \$100, payable to "County of San Diego".
3. The completed Hazardous Materials Business Plan Certification Statement(s).

Your 2013 registration fee is due upon receipt of this letter. If payment is not received by January 1, 2013, collection costs may result in additional fees. Payment will be credited to any existing delinquent fees first.

REQUIRED: Starting January 1, 2013, all regulated businesses will be required to submit business information electronically through the California Electronic Reporting System (CERS). Learn more at <http://cers.calepa.ca.gov>

You may also register in person **Monday through Friday 1:00 p.m. to 3:00 p.m.**, excluding holidays at:
